TANKER MAY WARN BRITISH SHIPS ABOUT WAR VESSELS

RUMOR SAYS STATIONED OFF HEADS ON SCOUT DUTY TO GIVE NOTICE OF NEARNESS OF CRUISER LEIPSIG; THE TRANS-PACIFIC OIL SHIPMENTS AT STANDSTILL.

Confirmation of the report that an oil tanker is being kept off the heads to warn other oil tankers registered under the British flag of the nearness of hostile German cruisers cannot be secured from the marine department of the Standard Oil company. The American Oil tanker of the Union Oil company Whittier is the vessel that is reported to have been assigned as a vessel for scout and warning duty off the California coast. The report is that the vessel is to act for both the Standard Oil company and the Union Oil company.

Credence in the report is general in San Francisco shipping circles, especially since the Trinulo, an oil tanker of British register, which was bound for another port, put into San Francisco the first of the week.

Admission is made by employees in the marine department of the Standard Oil company that all the trans-Pacific shipping of the oil company is at a standstill, and has been since the European war started, so far as the dispatch of vessels from this port is concerned. The Standard Oil employees refuse to tell anything of the location and probable arrival date of vessels headed toward the California coast from the Orient. All coastwise shipping, the oil tankers used in this service all flying the American flag, is being carried on as usual.

The Standard Oil tanker Calcutta which has been in the roadbed of the San Francisco bay for over a week is still at anchor with no immediate prospect of the vessel being dispatched to Kokohama. For as a continued menace to the safety of this vessel, or any other under the British flag, the German cruiser

PREPARING FOR CANAL OPENING ON SATURDAY NEXT

PANAMA, Aug. 13.—The final preparations for the opening of the Panama Canal on Saturday of this week are now being made.

Rush orders are being carried out, so that everything may be in readiness for the passage of the Ancon, the first vessel to make the trip. All other vessels will be kept out of the canal until the Ancon has completed her passage.

Immediately following the successful journey of the Ancon, the other waiting vessels will be sent through and the traffic between the two oceans will have begun in earnest.

All haste has been used to prepare the canal, as the war is expected to cause a heavy use of the big waterway from the start.

Vessels in the canal and in the ports at both ends will be required to maintain the strictest regard for the neutrality laws.

CLUB WOMEN MOTOR TO MARTINEZ

HOPE TO AWAKEN INTEREST IN PRIMARY ELECTION ON VISIT TO COURT HOUSE.

Gaily blazoned with red and white banners bearing the words, "Republican Women's Club of Richmond," from 80 to 100 women members of the club left in automobiles this afternoon between 2 and 3 o'clock for Martinez for the purpose of visiting the county court house and calling on the incumbents now in the county offices. Besides the banner with which the autos were decorated many of the women in the different cars carried American flags.

The women started from Macdonald avenue, between Fifth and Sixth street. When they reached Martinez they were escorted through the court house by Sheriff R. R. Veale. At 4 o'clock they were the guests at a reception given by Mrs. A. E. Blum, in her beautiful Martinez

VISITORS RECEIVED BY CITY COUNCIL AND RICHMOND INDUSTRIAL COMMISSION FOLLOWING WHICH THEY WERE GUESTS AT WINE-HAVEN LUNCHEON.

At exactly 12:00 o'clock today, ten gray-haired men alighted from a special train at the Richmond avenue depot where they were met by a committee led by Geo. Wall, president of the Richmond Industrial Commission, and the members of the city council.

These ten men who each carried a map showing the improvements to be made about the San Francisco bay district are members of

WOMEN BATTLE OVER ROW OF CHILDREN

MRS. L. FOTI CONFINED TO HER BED FROM BEATING ADMINISTERED TO HER BY MRS. GEORGE WILLIAMS, WHOSE TRIAL IS SET FOR AUGUST 20TH IN THE POLICE COURT.

A row brought about by a children's quarrel was the result last evening of a women's fight in which Mrs. George Williams residing at 228 Twelfth street became so enraged that she struck Mrs. L. Foti across the face and over the head with a piece of heavy iron pipe.

The police were immediately called and placed Mrs. Williams under arrest following a charge of battery having been placed against her by Mrs. Foti.

Mrs. Williams was cited to appear before Police Judge Lindsey following which she placed under \$20.00 cash bail and her trial set for August 20th. The effects of the beating prevented Mrs. Foti from appearing in court.

SINKING OF GERMAN SUBMARINE IN BATTLE

EYE-WITNESS TELLS OF CONFLICT AT SEA

EDINBURGH, Aug. 13.—The Scotsman prints the story of an eye-witness of the naval battle between British cruisers and German submarines in which the submarine U-15 was lost.

"The cruiser squadron on Sunday," the story runs, "suddenly became aware of the approach of the submarine flotilla. The enemy was submerged, only the periscopes showing above the surface of the water. The attitude of the British in the face of this attack was cool and the enemy was utterly misled when suddenly the cruiser Birmingham, steaming at full speed, fired the first shot. This shot was carefully aimed, not at the submerged body of a submarine, but at the thin blue line of the periscope.

"The gunnery was superbly accurate and shattered the periscope. Thereupon the submarine, now a blinded thing, rushed along under the water in imminent danger of self-destruction from collision with the cruisers above.

"The sightless submarine was then forced to come to the surface, whereupon the Birmingham's gunner fired the second shot of the fight. This shot struck at the base of the conning tower, ripping the whole of the upper structure clean and the U-15 sank like a stone. The remainder of the submarine flotilla fled."

REV. SKINNER IS OPERATED ON AT CRAVEN HOSPITAL

REPORTED RESTING EASY AND WILL PROBABLY BE ABLE TO RESUME HIS PULPIT SUNDAY.

Rev. S. K. Skinner of the San Pablo Baptist church was operated on at the Craven hospital this morning by Dr. C. R. Blake for enlarged tonsils and adenoids.

At a late hour this afternoon a report from the hospital stated that Rev. Skinner was resting easily and would be able to leave for his home tomorrow which will probably enable him to resume his pulpit by Sunday.

LOCAL BOY ON U. S. CRUISER AT HONOLULU

C. G. HOUGHIN WELL KNOWN HERE SENDS BRIEF DISPATCH TO RECORD-HERALD

(Special to Record-Herald) HONOLULU, Aug. 13.—Aboard the U. S. Cruiser West Virginia. All kinds of excitement going on in the waters around here. No naval battles or interruption of commerce between English, German or French ships as yet.

C. G. HOUGHIN. Houghin is well known in this city having traveled from his home in Wisconsin to this city with several Santa Fe employees among whom were W. G. Muscheid, brakeman Sam Wier and James Ford. He recently enlisted on the U. S. Cruiser West Virginia which was dispatched to the Islands to look out for this country's interests and see that the neutrality laws are enforced.

GERMANS AND FRENCH CLASH IN A FEARFUL LAND BATTLE

WOUNDED FROM ARMIES OF COMBATANTS FILL HOSPITALS AT MULHAUSEN; TEUTON CASUALTIES ESTIMATED AS 10,000.

PARIS, Aug. 13.—French and German troops are engaged in a big land battle today, with the center of the struggle near Mulhausen. This city is located in German territory between Alsace and Berlin. Telegraphic reports received here state that the wounded of both the French and the Germans have filled to overflowing every hospital in the city. An attempt is being made to attend to the wounded in school houses and all other public buildings. The German loss is wounded and dead is said to be 10,000. The French army department admits that its loss is "considerable," but claims that the Germans have been repulsed in the first hours of the fighting.

BRUSSELS, Aug. 13.—After a silence of two days the German artillery and infantry opened fire upon the Belgian forts around Liege again today. The German loss is reported to be enormous by the commanders of the Belgian forces.

NORTH SEA NAVIES MEET

LONDON, Aug. 13.—The British admiralty admitted that a naval battle is in progress between the British and German fleets in the North sea today. The German fleet is reported to have been repulsed but no details of the casualties in the battle are given. Orders have been issued for the movement of other British ships to the North Sea to reinforce those engaged in the first big naval conflict of the war.

DREDGER BREAKS DOWN; SUSPENDS CHANNEL WORK

PUMP BREAKS ON DREDGER "LOS ARBOLES," CAPTAIN ANDERSON EXPECTS TO FINISH CITY CONTRACT IN 60 DAYS.

The work on the outer channel which is being done at the present time by the dredger "Los Arboles," will be temporarily suspended for a few days until the main pump which broke down last evening can be repaired.

Captain Anderson states that but little more of the Ellis Landing work is to be done following which the dredger will commence its harbor dredging for the city which he hopes to complete in 60 days.

BRITISH KILL JAP SAILOR WHEN SHIP FAILS TO STOP

SHANGHAI, Aug. 13.—Because the Japanese ship Shikiku failed to respect wartime waterway regulations, after a shot from the British fort here had been fired across its bows, the English gunners fired a shot at the hull of the ship which killed one of the Japanese sailors. The failure of the Japanese ship to respond to the first shot of the British is believed to be due to the ignorance of the Japanese navigator regarding regulations enforced by the British since the European war started.

RECORD, GREGORY'S BEST ARGUMENT

John H. Gregory who is a candidate to succeed himself as constable of the Fifteenth township, which takes in the city of Richmond, is well pleased with the looks of his contest, and there is no reason why he should not be re-elected. During the past four years he has made a good officer, and the only way the public has to show its appreciation is by giving a candidate its vote, and this is undoubtedly what will happen on the 25th of this month.

During the incumbency of Mr. Gregory in the office of constable

no complaint has been registered against him, and all the duties pertaining to the position have been promptly taken care of and well.

Mr. Gregory has been a resident of Richmond almost from the day it started, and previous to being elected constable he served four years as city marshal. It was through the efforts of Mr. Gregory that the town was cleaned of an element that had been causing a great deal of trouble.

Mr. Gregory is making a clean and dignified campaign, and his request for votes is meeting with success.

INDEPENDENT DEMOCRATIC

Official Paper of the City of Richmond

Editorial Department

"To Observations Which Ourselves We Make, We Grow More Partial, for the Observer's Sake."

INTERESTING NEW PERIODICAL

There are so many bum publications put out nowadays by persons who have the journalistic bug and imagine they can write what others would delight to read, that it is both a surprise and a pleasure to run across something of real merit. In the latter class is a new weekly candidate for public favor issued in San Francisco and bearing the uphonic name of "Western Opinion". We ran across one on a news stand this week and propose to blow in a nickle on it every week, war or no war. The journal seems to have plenty of "Opinion" for all necessary purposes, "Western" and otherwise, and covers a wide field. If you don't see what you want on one page it is apt to be on some other. The editor's name is William Faber. The name Faber is associated in our mind with lead pencils, and any editor whose name is lead pencil ought to be able to grind out a lot of copy. We don't know him, but will some day if the lord is on our side, which he is. The associate editor is E. Chapin Gard, who has fame that is not parted in the middle like the name is. We have often ran across good stuff penned by E. Chapin Gard, and some of it is sort of set to music that is not of the phonographic kind. The following is a sample:

By the deep, restless Ocean I gaze with emotion
On rapture scenes gorgeous and bright.
Regal raiment of Morning sublime views adorning
With robes of lustre and light.
Expanses of splendor are lost in the haze,
And visions serene melt away in the maze.
Domain lauded, in story, Clime blazoned with glory,
Where laurels the hills coronate;
Flags triumphantly streaming, while navies are
streaming
on the tides of the Golden Gate.

REPUBLICS WILL SUPERSEDE MONARCHY

There are two kinds of patriotism—the right kind and the wrong kind. The latter hangs on a hair trigger and goes off half cocked, and there is much evidence of it on every hand just now, owing to the terrible wars going on in Europe.

This paper took the stand editorially at once that the conflict was entirely unjustifiable and without good reason, was a war of greed for pomp and power and territory, of the monarchs rather than of the peoples, and some censured us for so saying. Since then many of the leading writers of the world have taken that same stand, and now we feel that we have good backing in the opinion. The following is from a world-known personage, Oscar Straus and we find it in the Oakland Enquirer:

Writing a message to the American people from London, Former United States Ambassador to Turkey, Oscar S. Straus, throws a flood of light upon many phases of the European entanglement. Foremost of Mr. Straus' observations is the opinion that the present is not a war of the European peoples, but rather one of the monarchs. He says: "The war has not been projected by will of the people, but against their will, and the aggressions come from the ambition of the ruling classes, if not the rulers themselves." And he adds: "In my opinion, the great blessing that will result from this titanic world clash will be the obliteration of every monarchy in Europe. When the armed forces have fought themselves out there will not be one sovereignty left."

This department is in receipt of a circular letter from the Chet. Rowell campaign committee stating that they are sending out 120,000 letters and postcards, in addition to 30,000 letters already sent out among the voters. Life is just one blasted thing after another, and there is no rest for the dear beloved voter from now on until November, unless he takes refuge in the grave.

We arise to remark, just to still the clang of reactionary tongues, that this congress has earned that mileage, whether they travel or not. Summer session in Washington is what Sherman said war is.

Since England's jumped into the fuss
And gone to pulling hair,
Will Ireland put a large-sized tack
In George's golden chair?

This is Europe's home coming week.

Nobody likes musk, but it smells better than some immigrants.

We have never been mobilized but come awful near getting automobilized every day.

Why on earth do you suppose there are so many seeds in a blackberry?

Spelled backward "war" is "raw," and it certainly is.

The latest war gag is that some fellow went into a San Francisco pawn shop and tried to boch the Kieser.

The French are now talking with both hands, both shoulders, both feet and legs and mouth besides.

Buttoning a white collar at the back of the neck is not necessarily positive proof of righteousness.

The debauch Europe is now on will give them all a headache that will last for many years.

It is to be devoutly hoped the war will not be an excuse for Rudyard Kipling to write another poem.

Monarchs with misfit crowns are now sending out and up prayers to inspire the fighters. This may fool the fighters but it won't fool God.

The political war now on in California shows less bloodshed than the fracas over the ocean but it contains more vocal solos.

Truth crushed to earth will rise again, if the war correspondents will only give it half a chance.

One man with a grouch growing out of an ingrowing disposition can put a whole street car full of people out of tune.

Of course we like to support our friends who are candidates, but have to put in some time supporting the family, also.

Two thousand bathing suit makers are on strike in New Yorks. Let the trouble be mediated at once! Conditions are bad enough on the beach already.

We are delighted to note that the European war has eradicated William J. Burns, William Randolph Hearst, Congressman Hobson and Judge Lindsey off the first pages.

Young man, learn to pile one brick nicely on top of another, or spread plaster so it won't break down when the wife scolds. Writing editorials is unskilled labor, and the salary fits the crime.

A Richmond bride says she is perfectly happy, having nothing to do but sit in a cool place all day and munch chocolates and read love stories. She ought to put in some of that time practicing up on throwing hair brushes and coffee cups. In time of peace prepare for war.

Now, don't get alarmed, folks, and rock the boat. No matter what other commodities go up in price because of the wars the price of this publication is going to remain the same, but it ought to be paid in advance, as an evidence of good faith and patriotism.

Germany is throwing another million into the fight, and has appropriated one billion, two hundred and fifty millions of the people's money with which to help slaughter mankind. Such a thing ought to be made impossible by any nation or power.

CHURCHES TO HOLD A YOUNG MENS DAY SOON

What will probably be the inauguration of a Y. M. C. A. in this city will be started on August 23, when a "Young Men's" day will be held at a number of the East side churches at which will be present several of the heads of that organization in this state.

The committee in this city which is to have charge of the affair on that day is composed of Dr. C. R. Blake, Fred S. Newsom, Rev. Guy A. White, C. J. Cray and F. E. Adams.

LUNCHEON AND PARTY TENDERED MISS HUNTSINGER

A delightful party was tendered Miss Helen Huntsinger yesterday afternoon by Mrs. L. M. Moore at her home on Prospect avenue. Among those present at the party being Misses Dorothy MacGregor, Merle Jenkins, Helen Smith, Carrie Bedwell, Irma Dearborn, Claire Johnston, Dorothy Moody, Jessie Merritt, Isabel Greathouse, Nettie Whitesides, Valera McLarnay and Mesdames A. F. Rice, Edna Dixon, D. S. Huntsinger, J. H. Coleman and A. Crothers, of San Pablo.

CATHOLIC LADIES READY FOR SOCIAL

The ladies of Our Lady of Mercy Catholic church are busily engaged in arranging a suitable program for the entertainment which is to be held in the Point Richmond opera house on the evening of August 22.

Some of the members already arranged on the program are: Mrs. F. Eggerth will be heard in a monologue, Miss Francis McKeon has a number of entertaining language specialties, Mrs. Whitcomb of this city will give some of her unimpeachable comic singing, The League of the Cross cadets from San Francisco will present a laughable skit and Miss Irene Hannan and Master Mathews will give Scottish and Irish songs and dances. Elmer Gallagher and Milla Kent have promised the very latest song hits. Other numbers will be announced within a few days.

NATIVES PREPARE FOR MONSTER CROWD

Saturday evening the members of Richmond Parlor, Native Sons, will stage at East Shore park their first annual indoor picnic, which gives promise of being one of the biggest event held at the park this year.

A carload of teddy bears, dolls, candy and soda water have been taken to the grounds where they will be dispensed at various booths which will be in charge of members of Richmond Parlor Native Daughters.

Dancing and various other picnic activities will take up the evening at the conclusion of which a late hour luncheon will be served by a committee in charge.

CRAVEN HOSPITAL TO BE ATTRACTIVE

Miss Jean Craven in charge of the Craven hospital, is a strong advocate of a "City Beautiful" and working along those lines has awarded a contract to a local florist for the beautifying of grounds about the hospital located at the corner of Tenth street and Clinton avenue.

A grassy lawn is to be put in the front of the hospital surroundings which will be planted a hedge of geraniums and cala lilies.

A RICHMOND REPORT

Fully Corroborated and Easily Investigated.

Do you need a good kidney medicine. Then read the reports in these very columns of Richmond persons cured or benefited with Doan's Kidney Pills. You won't have to go far to find out if they are true. This Richmond case is an example. Others will follow.

"I am positive of the merit of Doan's Kidney Pills," says Mrs. B. S. Kirkpatrick, of 660 Third St., Richmond. "I have known of them for a long time and another of my family has used them with great success. Doan's Kidney Pills brought more benefit than any other kidney remedy ever did. They rid the one who took them of distressing kidney ills."

Price 50¢, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Kirkpatrick recommends. Foster-Milburn Co., Props., Buffalo, N. Y. advt.

EASY TO DARKEN YOUR GRAY HAIR

Try This! Mix Sage Tea and Sulphur and brush it through your hair, taking one strand at a time.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally so evenly. Preparing this mixture, though, at home is messy and troublesome. For 50 cents you can buy at any drug store the ready-to-use tonic called "Wyeth's Sage and Sulphur Hair Remedy." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant. You will also discover dandruff is gone and hair has stopped falling. Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur and look years younger.

BRITISH ACCUSE KAISER OF BEING NATIONAL OUTLAW

WASHINGTON, Aug. 13.—In a circular addressed to all the powers by the British government Germany is put under the ban of nations and it is among the probabilities of the present strife in Europe that the Kaiser may have the ban of civilization raised against him and his people declared "outlaw." It is charged that the Germans are violating all the canons of warfare in straining the Baltic and North seas with torpedoes designed to destroy shipping of all nations whether under the flag of hostile nations or as those innocent of participation in the present strife.

Citations are offered in the circular to the world powers showing that Germany refuses to live up to the rules of civilized warfare in which event all the courtesies of humanity will be denied to its army or navy and no quarter shown. It is understood that the charges made by Great Britain against the war conduct of Germany have aroused a stir in diplomatic circles and if in the high court of nations Germany is found guilty of the acts alleged that it will compel Austria to take sides against her ally or become outlaw and confronted by the civilized world in hostile array to result in the extinction of both empires. It is asserted that diplomats consider prompt action will be taken in the accusation which in principle charges the Germans with designing to destroy the commerce of the world by broadcasting torpedoes and other high explosives upon high seas.

WATERFRONT VIEWED BY BOARD OF ENGINEERS

(Continued from Page 1)

The Rivers and Harbors Board of the United States government.

At the head of the party was Col. Thomas H. Rees, who has been an important factor in Richmond waterfront improvements.

Grouped about Colonel Rees were the following members of the board: Colonel William W. Black, president Rivers and Harbors Engineering Board; Colonel Frederick Abbott and Lansing H. Beach, and Lieutenant-Colonel Henry C. Newcomer, members of the Board; Secretary Roberts, Major Pond.

The members of the board were introduced to the reception committee by Harry Wernse and Henry Cutting, who made the special trip to Ferry Point where they greeted the engineers as they alighted from the government tug "Shoshone."

Following the greeting of the guests they were escorted to waiting machines which conveyed the party to Point Potrero where a full view of the inner and outer harbor could be secured.

Colonel Rees with several large maps stretched out before him, showed the various improvements which will be made in regard to bulkheads, wharves, outer breakwaters and filling. Henry Cutting then produced a set of maps showing a large amount of private work which he intends to put in immediately following the harbor improvements.

From Point Potrero the party was taken along the old Marin drive to the Los Angeles brick plant where they viewed from the hill the vast workings of that local establishment.

A long detour of the waterfront was then made following which the line of autos numbering some twenty odd machines swung into the far end of Richmond avenue and proceeded toward town on their way to Winehaven for the banquet.

At Winehaven the members of the party were welcomed by Superintendent Berndt who had prepared an elaborate luncheon in their honor. Following the making of several speeches by various members of the board, together with members of the Industrial Commission, the engineers were escorted to the Winehaven wharf where they once again boarded their tug and started for Oakland where they are to be the guests of the Oakland Chamber of Commerce at a banquet to be held in the Hotel Oakland this evening.

Those who constituted the reception party were J. F. Galvin, Charles Culby, J. B. Lawrence, A. C. Farris, J. B. Rose, H. D. Chapman, Lee D. Windrem, J. McVittie, F. J. Hulaniski, M. Emanuel, A. O. Duggan, A. A. Denison, Fred H. Tibbets, Mayor Frank M. Mott of Oakland, H. D. Heywood of Berkeley and E. J. Garrard of Richmond; George B. Wall, president of the Richmond Industrial Commission, P. A. Haviland, civil engineer on Richmond harbor work, H. C. Cutting and H. W. Wernse. Guests that joined the party in Richmond were Councilman William Picton, H. L. Penry, C. A. Follett, Otto Ludwig and R. L. Fernald, City Attorney D. J. Hall, Major D. W. McLaughlin, Sheriff R. R. Veale, Henry Trutmann of A. P. A., Oakland, Supervisor Warren McBryde, Claude Gignoux, Edward J. Burg, G. W. Smith, John W. Nicholl and Guy N. Stokes.

NOTICE OF AWARD OF CONTRACT NO. 191

Pursuant to Statute and to Resolution of Award No. 191 of the City Council of the City of Richmond, directing this notice,

NOTICE is hereby given that said City Council, in open session on the 10th day of August, 1914, publicly opened, examined and declared all sealed bids or proposals offered for the following work, to-wit:

That Twenty-third street from the southerly line of Macdonald Avenue to the northeasterly line of the right-of-way of the Southern Pacific Company, including all intersections between said lines, be graded to its full width to the official lines and grades, paved with a bitulithic pavement consisting of a six (6) inch cement concrete base with a two and one-half (2½) inch bitulithic wearing surface and a bitulithic flush coat, curbed, guttered and sidewalked with cement concrete. And have constructed therein iron pipe culverts with cement concrete wing walls and portals as follows: Under the sidewalk return at the northwesterly corner of Bissell Avenue and Twenty-third Street and under the sidewalk return at the northwesterly corner of Balboa Avenue and Twenty-third Street; That a catch basin of brick with a cast iron top and grating be constructed at the intersection of the easterly line of Twenty-third Street with the northeasterly curb line of Pullman Avenue. That an eighteen inch salt glazed vitrified pipe sewer be constructed from said last named catch basin to the existing manhole in Twenty-third Street opposite the westerly termination of Pullman Avenue.

Excepting and excluding from the above work any portion thereof required by law to be kept in order or repair by any person or corporation having railroad tracks thereon, and further excepting any part of said work now in to official lines, grades and specifications.

Reference is hereby made to Patent License Agreement of Warren Brothers Company dated June 22nd, 1914, now on file in the office of the Clerk of the City of Richmond.

All the above described work shall be done in accordance with the plans and specifications adopted by the Council of the City of Richmond for said work by its resolution duly passed at a regular meeting of said Council held on the 29th day of June, 1914, and numbered 191, now on file in the office of the City Clerk of the City of Richmond, reference thereto being hereby especially made.

That said City Council, under the authority conferred upon it by the provisions of that certain act of the Legislature of the State of California approved April 7, 1911, and known as the "Improvement Act of 1911," determines and declares that serial bonds be issued to represent the cost of said proposed improvements; said bonds shall be serial, extending over a period of Nine (9) years from the second day of January next succeeding their date, and shall be issued to represent assessments of twenty-five dollars (\$25.00) or more remaining unpaid for thirty (30) days after the date of the warrant issued to the contractor, or five (5) days after the decision of said Council upon an appeal; and even annual proportion of the principal sum of each bond shall be payable by coupon on the second day of January of each year after its date and until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days in January and July, respectively, of each year at the rate of seven (7) per cent per annum on all sums unpaid until the whole of said principal and interest is paid; and said bonds shall be issued in accordance with the provisions of said "Improvement Act of 1911."

And thereafter on the 10th day of August, 1914, by Resolution of Award No. 191, awarded the contract for said work to the lowest responsible bidder, to-wit: To Ransome-Crummey Co. at the price named for said work in their proposal on file, namely:

FOR STREET WORK
For Excavating, \$.70 Per Cubic Yard.
For Filling, \$.40 Per Cubic Yard.
For Paving with Bitulithic, \$.21½ Per Square Foot.
For Cement Concrete Sidewalk, \$.14 Per Square Foot.
For Concrete Gutter, \$.20 Per Square Foot.
For Concrete Curb, \$.40 Per Linear Foot.
For 8 Inch Iron Pipe Culvert, \$2.00 Per Linear Foot.
For 18 Inch Vitrified Sewer Pipe,

\$2.50 Per Linear Foot.
For Catch Basins, \$50.00 Each.
Said award has been duly approved by the Mayor of the City of Richmond.
Dated August 11, 1914.

NOTICE OF SALE OF PROPERTY DELINQUENT FOR NON-PAYMENT OF BOND ISSUED FOR THE IMPROVEMENT OF TWENTY-SECOND STREET.

DEFAULT having been made in the payment of the installment of the principal and interest of that certain street improvement bond hereinafter described which became due on the 2nd day of July, 1913; and the 2nd days of January and July, 1914.

And the holder of said bond having, on the 4th day of August, 1914, duly demanded in writing that the City Treasurer of the said City of Richmond proceed to advertise and sell the lot or parcel mentioned in said bond and hereinafter described, to represent an assessment upon which said bond was issued for making certain improvements on Twenty-second Street, in the City of Richmond, pursuant to and under the provisions of Resolution of Intention No. 134, of the City of Richmond; and the said bond, or its unpaid remainder, with accrued interest, as expressed in said bond, having thereupon become due and payable immediately, and upon the day following, to-wit: the 5th day of August, 1914, having become delinquent, and the whole amount due on said bond not having been paid;

NOW, THEREFORE, notice is hereby given that I, I. R. Vaughn, City Treasurer of the City of Richmond, under and by virtue of the authority vested in me by law, will, on the 3rd day of September, 1914, at the hour of 10 o'clock A. M. of said day, sell at public auction the real property hereinafter described and mentioned in said bond, at the office of the said City Treasurer of said City of Richmond, unless the amount due on said bond and the interest due thereon, together with the cost of publication of this notice are paid, according to law; and that I will so sell the same to the person who will pay the amount of unpaid principal and interest due on said bond, together with the cost of publication of this notice; that the said sale will be made in accordance with and under the provisions of an Act of the Legislature of the State of California entitled: "Improvement Act 1911" approved April 7, 1911.

That the said bond referred to in this notice is described as follows: Street Improvement Bond, Number 12, Series 36, Assessment Number 14, in the City of Richmond, County of Contra Costa, State of California, for the sum of Ninety-eight and twenty-seven one-hundredths dollars (\$98.27) bearing interest at the rate of seven per cent per annum, issued for the improvement of Twenty-second Street, in the City of Richmond, from the northerly line of Macdonald Avenue to the southerly line of Montgomery Avenue; said bond is dated February 4, 1913, and is issued to represent the assessment upon the hereinafter described property mentioned in said bond for the street improvement above mentioned.

That the property mentioned in said bond, and to represent the assessment against which for said street improvement said bond was issued, is that certain parcel of land situate in the City of Richmond, County of Contra Costa, State of California, more particularly described as follows, to-wit:

Lot Number Fourteen (14) Block Number One hundred twenty-eight (128) as delineated and so designated upon that certain map entitled "Amended Map of the City of Richmond" filed in the office of the Recorder of Contra Costa County, State of California, on the third day of March, 1905.

That the amount due on said bond is as follows:

Due on principal thereof Ninety-eight and twenty-seven one-hundredths dollars (\$98.27); Due on account of interest accrued on said bond Nine and two one-hundredths dollars (\$9.02); Total amount due on said bond One hundred seven and twenty-nine one-hundredths dollars (\$107.29);

That the name of the owner of said property mentioned in said bond is UNKNOWN.

Unless the amount of said bond as aforesaid, together with the cost of publication of this notice is paid,

the real property mentioned in said bond, and hereinafter described, will be sold at public auction, as aforesaid, on the 3rd day of September, 1914, at the hour of 10 o'clock A. M. of said day, at the office of the undersigned, City Treasurer of the City of Richmond, 420 Macdonald Avenue, said City.

This notice shall be published twice in the Richmond Record-Herald, a newspaper of general circulation, published in the said City of Richmond, which said newspaper is hereby designated as the newspaper in which this notice shall be published.

I. R. VAUGHN,
City Treasurer of the City of Richmond.

Dated, Richmond, California, August 12, 1914.

First publication Aug. 13, 1914.

Last publication Aug. 14, 1914.

NOTICE OF SALE OF PROPERTY DELINQUENT FOR NON-PAYMENT OF BOND ISSUED FOR THE IMPROVEMENT OF MAINE STREET.

DEFAULT having been made in the payment of the installment of the principal and interest of that certain street improvement bond hereinafter described which became due on the 2nd day of July, 1913; and the 2nd days of January and July, 1914.

And the holder of said bond having, on the 4th day of August, 1914, duly demanded in writing that the City Treasurer of the said City of Richmond proceed to advertise and sell the lot or parcel mentioned in said bond and hereinafter described, to represent an assessment upon which said bond was issued for making certain improvements on Maine Street, in the City of Richmond, pursuant to and under the provisions of Resolution of Intention No. 125, of the City of Richmond; and the said bond, or its unpaid remainder, with accrued interest, as expressed in said bond, having thereupon become due and payable immediately, and upon the day following, to-wit: the 5th day of August, 1914, having become delinquent, and the whole amount due on said bond not having been paid;

NOW, THEREFORE, notice is hereby given that I, I. R. Vaughn, City Treasurer of the City of Richmond, under and by virtue of the authority vested in me by law, will, on the 3rd day of September, 1914, at the hour of 10 o'clock A. M. of said day, sell at public auction the real property hereinafter described and mentioned in said bond, at the office of the said City Treasurer of said City of Richmond, unless the amount due on said bond and the interest due thereon, together with the cost of publication of this notice are paid, according to law; and that I will so sell the same to the person who will pay the amount of unpaid principal and interest due on said bond, together with the cost of publication of this notice; that the said sale will be made in accordance with and under the provisions of an Act of the Legislature of the State of California entitled: "Improvement Act 1911" approved April 7, 1911.

That the said bond referred to in this notice is described as follows:

Street Improvement Bond, Number 55, Series 38, Assessment Number 106, in the City of Richmond, County of Contra Costa, State of California, for the sum of Eighty-seven and thirty-four one-hundredths dollars (\$87.34) bearing interest at the rate of seven per cent, per annum, issued for the improvement of Maine Street, in the City of Richmond, from the easterly line of First Street to the westerly line of Tenth Street; said bond is dated March 3, 1913, and is issued to represent the assessment upon the hereinafter described property mentioned in said bond for the street improvement above mentioned.

That the property mentioned in said bond, and to represent the assessment against which for said street improvement said bond was issued, is that certain parcel of land situate in the City of Richmond, County of Contra Costa, State of California, more particularly described as follows, to-wit:

Lot Number Two (2) Block Number Seven (7) as delineated and so designated upon that certain map entitled "Townsite of Santa Fe" filed in the office of the Recorder of Contra Costa County, California, on the 17th day of March, 1900.

That the amount due on said bond is as follows:

Due on principal thereof Eighty-seven and thirty-four one-hundredths dollars (\$87.34); Due on account of interest accrued on said bond Seven and fifty-two one-hundredths dollars (\$7.52); Total amount due on said bond Ninety-four and eighty-six one-hundredths

dollars (\$94.86);
That the name of the owner of said property mentioned in said bond is UNKNOWN.

Unless the amount of said bond as aforesaid, together with the cost of publication of this notice is paid, the real property mentioned in said bond, and hereinafter described, will be sold at public auction, as aforesaid, on the 3rd day of September, 1914, at the hour of 10 o'clock A. M. of said day, at the office of the undersigned, City Treasurer of the City of Richmond, 420 Macdonald Avenue, said City.

This notice shall be published twice in the Richmond Record-Herald, a newspaper of general circulation, published in the said City of Richmond, which said newspaper is hereby designated as the newspaper in which this notice shall be published.

NOTICE OF AWARD OF CONTRACT NO. 243-2

Pursuant to Statute and to Resolution of Award No. 243-2 of the City Council of the City of Richmond, directing this notice.

NOTICE is hereby given that said City Council, in open session on the 10th day of August, 1914, publicly opened, examined and declared all sealed bids or proposals offered for the following work, to-wit:

That Cutting Boulevard from a line drawn across Cutting Boulevard parallel to and 19.65 feet westerly of the westerly line of Twenty-third Street to a line drawn across Cutting Boulevard parallel to and 12.5 feet easterly of the easterly line of Tenth Street, including all intersections between said limits, be graded to its full width to the official lines and grades, paved with a bitulithic pavement consisting of a six (6) inch cement concrete base, and a two and one-half (2½) inch bitulithic wearing surface with a bitulithic flush coat; be curbed, guttered and sidewalks with cement concrete; and also that parkings twenty-two (22) feet in width with redwood headers be constructed therein along the center line of said street, as shown on plans and specifications hereinafter referred to; provided that no paving shall be constructed within said parkings. That corrugated iron culverts with corrugated concrete wing walls and portals be constructed as follows, to-wit: On the northerly curb line of Cutting Boulevard, across Twenty-second Street, Harbor Avenue, Eighteenth Street, Sixteenth Street and Fourteenth Street and across Cutting Boulevard, as follows: On the easterly curb line of Twelfth Street, on the westerly curb line of Twelfth Street, on the easterly curb line of Thirteenth Street, on the easterly curb line of Fifteenth Street, on the easterly curb line of Twenty-first Street, and on the westerly curb line of Twenty-first Street; under the sidewalk returns on the northerly side of Cutting Boulevard as follows: At the easterly side of Eleventh Street, at the westerly side of Eleventh Street, at the westerly side of Thirteenth Street, at the westerly side of Fifteenth Street, at the westerly side of Seventeenth Street, at the westerly side of Nineteenth Street and at the easterly side of Nineteenth Street; under the sidewalk return on the southerly side of Cutting Boulevard as follows: At the easterly side of Twenty-second Street, at the westerly side of Harbor Avenue, at the easterly side of Eighteenth Street, and at the easterly side of Fourteenth Street. That a corrugated iron and concrete culvert with corrugated iron branches, together with cement concrete wing walls and portals be constructed across Cutting Boulevard on the easterly curb line of Seventeenth Street. Especial reference is hereby made to Plans No. 243-2 for information as to culvert details.

That six (6) inch pipe sewers, lampholes, manholes, and appurtenances, be constructed as follows: That six (6) inch pipe sewers be constructed in Cutting Boulevard along a direct line from the intersection of a line parallel to and twenty (20) feet southerly measured at right angles from the northerly line of Cutting Boulevard with a line parallel to and 20 feet easterly measured at right angles from the easterly line of Tenth Street, to the intersection of a line parallel to and 25 feet southerly from the northerly line of Cutting Boulevard with the center line of Fourteenth Street; thence along a line parallel to and 25 feet southerly, measured at right angles from the northerly line of Cutting Boulevard to a point 120 feet easterly of the center line of Sixteenth Street, and that lampholes be constructed at the westerly and easterly extremities of said sewer, and that a manhole be constructed on said sewer at each of the following places: On the center line of Eleventh Street, Fourteenth Street, Fifteenth Street, Sixteenth Street, and on the extension southerly of the center lines of the alleys in Blocks Fourteen (14), Fifteen (15), and Sixteen (16), as said blocks are delineated and so designated on that certain map entitled "Revised Map of a Portion of the Nystroms Addition to Point Richmond" and filed in the office of the Recorder of Contra Costa County, California, on February 26, 1909; that six (6) inch pipe sewers be constructed as follows: Along the center line of Eleventh Street from its intersection with the above described sewer in Cutting Boulevard northerly 325 feet to a lamphole to be constructed on the center line of Eleventh Street; along the center line of Fourteenth

Street from its intersection with the above described sewer in Cutting Boulevard northerly 410 feet to a lamphole to be constructed on the said center line of Fourteenth Street; along the center line of Fifteenth Street from its intersection with the above described sewer in Cutting Boulevard northerly 410 feet to a lamphole to be constructed on the said center line of Fifteenth Street; along the center line of Sixteenth Street from its intersection with the above described sewer in Cutting Boulevard northerly 410 feet to a lamphole to be constructed on the said center line of Sixteenth Street; along the center line of the said alley in Block Fourteen (14), said Nystroms Addition, from the intersection of said center line with the above described sewer in Cutting Boulevard northerly 410 feet to a lamphole to be constructed on said center line of said alley; along the center line of the said alley in Block Fifteen (15), said Nystroms Addition, from the intersection of said center line with the above described sewer in Cutting Boulevard northerly 410 feet to a lamphole to be constructed on said center line of said alley; along a direct line in Cutting Boulevard from the intersection of a line parallel to and 23 feet northerly, measured at right angles, from the southerly line of Cutting Boulevard with a line parallel to and 20 feet easterly, measured at right angles, from the easterly line of Tenth Street, to the intersection of the center line of Fourteenth Street with a line parallel to and 87 feet southerly, measured at right angles, from the northerly line of Cutting Boulevard; thence easterly along said line parallel to and 87 feet southerly from the northerly line of Cutting Boulevard to the center line of Sixteenth Street, and that a lamphole be constructed at the westerly extremity of said sewer on the southerly side of Cutting Boulevard, and that a manhole be constructed on said sewer at each of the following places, to-wit: At the easterly extremity of said sewer, on the center line of Fourteenth Street and on the center line of the alley extended northerly in Block Nineteen (19), said Nystroms Addition; That a six (6) inch pipe sewer be constructed as follows: Along the center line and a direct extension northerly thereof of said alley in said Block Nineteen (19) from the southerly line of Cutting Boulevard northerly 80 feet. That four (4) inch by six (6) inch wye branches be placed along said sewers, one for each twenty-five (25) feet or fraction thereof, of property fronting on said sewers taken block by block. All sewer pipe to be salt glazed, vitrified, ironstone sewer pipe of the size hereinbefore specified. All wye branches to be salt glazed, vitrified ironstone sewer pipe. All manholes to be of brick with cast iron rims and covers, and all lampholes to be of six (6) inch salt glazed, vitrified ironstone sewer pipe, with cast iron rims and covers. All manholes and lampholes hereinabove mentioned are to be constructed hereunder. Excepting any of the above work required by law to be kept in order or repair by any person or corporation having railroad tracks thereon, and further excluding any of the above work now in the official lines, grades and specifications.

All of the above described work shall be done in accordance with the plans and specifications adopted by the Council of the City of Richmond for said work by its resolution duly passed at a regular meeting of the said Council held on the 22nd day of June, 1914, and numbered 243-2 now on file in the office of the City Clerk of the City of Richmond, reference thereto being especially made.

And the Council further determines that in its opinion the above work or improvement is of more than local or ordinary benefit and declares that the cost, charges and expense of said work, including incidental expenses, shall be and are hereby made chargeable against, and shall be assessed upon, such lands and district, all of which district is within the City of Richmond, County of Contra Costa, State of California, more particularly bounded and described as follows, to-wit:

NOTICE OF AWARD OF CONTRACT NO. 242-2

Pursuant to Statute and to Resolution of Award No. 242-2 of the City Council of the City of Richmond, directing this notice.

NOTICE is hereby given that said City Council, in open session on the 10th day of August, 1914, publicly opened, examined and declared all sealed bids or proposals offered for the following work, to-wit:

That Cutting Boulevard from a line drawn across Cutting Boulevard from a point on the southerly line of Cutting Boulevard 10 feet east of the easterly line of Twenty-third Street to a point on the northerly line of Cutting Boulevard 9.75 feet east of the easterly line of Twenty-third Street, to the southerly line of the Southern Pacific Company's right of way, including all intersections between said lines, be graded to its full width to the official lines and grades, paved with a bitulithic pavement consisting of a six (6) inch cement concrete base, and a two and one-half (2½) inch bitulithic wearing surface with a bitulithic flush coat, be curbed, guttered and sidewalks with cement concrete; and also, that parkings twenty-two (22) feet wide with redwood headers be constructed therein along the center line of said street, as shown on the plans and specifications hereinafter referred to, provided that no paving shall be constructed within said parkways.

That a corrugated iron and concrete culvert with corrugated iron branches, together with concrete portals and wing walls, be constructed on the northerly curb line of Cutting Boulevard across Twenty-fourth Street; and that corrugated iron culverts with corrugated iron branches, together with concrete wing walls and portals be constructed as follows: On the northerly curb line of Cutting Boulevard across Twenty-sixth Street, and from the westerly sidewalk return to the easterly sidewalk return of Twenty-fifth Street, Twenty-seventh Street, Twenty-eighth Street and Twenty-ninth Street, respectively, and under the sidewalk return on the northerly side of Cutting Boulevard at the westerly side of Spring Street.

That corrugated iron culverts with corrugated iron branches, together with concrete wing walls and portals be constructed on the southerly curb line of Cutting Boulevard across Twenty-fourth Street and Twenty-sixth Street, and from the westerly sidewalk return to the easterly sidewalk return at Twenty-eighth Street, and under the sidewalk return on the southerly side of Cutting Boulevard at the easterly side of Twenty-ninth Street and Thirtieth Street, respectively.

Excluding from the above work any part of said work required by law to be kept in order or repair by any person or corporation having railroad tracks thereon, and excepting any of the said work now in to the official lines, grades and specifications.

All of the above described work shall be done in accordance with the plans and specifications adopted by the Council of the City of Richmond for said work by its resolution duly passed at a regular meeting of said Council held on the 22nd day of June, 1914, and numbered

242-2, now on file in the office of the Clerk of the City of Richmond, reference thereto being hereby especially made.

Reference is hereby made to Patent License Agreement of Warren Brothers Company, dated June 17, 1914, and now on file in the office of the Clerk of the City of Richmond.

And the Council further determines that in its opinion the above work or improvement is of more than local or ordinary benefit, and declares that the costs, charges and expense of said work, including incidental expenses, shall be and are hereby made chargeable against, and shall be assessed upon, such lands and district, all of which district is within the City of Richmond, County of Contra Costa, State of California, more particularly bounded and described as follows, to-wit:

CATHOLICS WILL HOLD ANNIVERSARY JUBILEE

A jubilee will be held in the Catholic church in San Pablo next Sunday, which will commemorate the fiftieth anniversary of the dedication of the structure.

Special invitations have been sent to all former rectors of San Pablo to attend the festival. The event will be celebrated with a solemn high mass at 1:30 o'clock with four priests officiating. The choir will be furnished by the Oakland Conservatory of Music. The sermon will be preached by Father Orison J. McMullen of St. Mary's church, San Francisco.

Lunch will be served at noon by

POLITICAL ADVERTISEMENTS

MORE WORK—MORE WORK

Van Wyck's Talks for Governor.

Yesterday I promised to show you how the high cost of living can be lowered, how everyone can have steady work.

I propose to DEVELOP THE FLOOD WATERS OF THE STATE, WHICH IN TURN WILL DEVELOP THE STATE. The State should build storage reservoirs in the mountains to hold the winter and spring flood waters until the thirsty crops call for them.

Besides, I would make these captured waters WORK FOR US, with the cheap electric power they would produce. THERE'S THE POWER OF COUNTLESS NIAGARAS FOR THE ASKING.

What would result? Big money—State prosperity—more factories—more mines—more crops—MORE WORK—MORE MONEY—higher wages—more customers for every merchant—steady employment for all.

Let all the people of the State get together as partners and store

the women of the church among the trees and shrubbery. The Pinole band will play in the open air and Spanish-American games and amusements will afford a pleasant and healthful outing to all who attend.

POPE PIUS IS OVERWHELMED

ROME, Aug. 13.—(via Paris, Aug. 12)—The pope is so overwhelmed with grief by the outbreak of war among all the principal nations of Europe that he is unable to do any work and sits listless and silent for hours every day. Although his holiness is not ill, his condition is causing grave anxiety to his attendants.

These useful waters. In order to build the reservoirs, I want to be elected Governor. The partnership will make money—not laws. We have too many laws already. What the State needs is PROSPERITY—NOT LEGISLATION.

First, we must develop all this water FOR OUR OWN USE. It is ours. Let us keep it and use it. Let us cease giving it away to private corporations. Let us end all speculative claims to water not put to use.

Don't worry. There is plenty of public water. Only one-fifteenth is privately owned. That leaves fourteen-fifteenths for us.

Can we develop it? Yes, indeed; with my platform to build on. Tomorrow I will tell you the plan.

SIDNEY M. VAN WYCK, Jr., of San Francisco.
 Candidate for Governor of California—(Democratic Nomination)

SUGAR AND MEATS ADVANCE IN PRICE DUE TO WAR

LOCAL DEALERS CHARGE INCREASES TO MANIPULATION BY THE TRUSTS.

Granulated sugar jumped \$1.00 a hundred weight on the local market yesterday and the retail price of canned meats also went up. The retail price of boiled ham advanced a cent and the wholesale price of bacon went a cent higher. Cured ham remained the same, although an advance in the retail price of both ham and bacon is expected within the next few days.

That the present advance in the price of sugar is due to trust manipulation was the statement of some local dealers yesterday. Sugar is reaching the coast and the supply at the time the war opened was large. Local dealers believe that the trusts are using the war scare to shoot the price up. The price per hundred weight is now \$7.50.

A new high record for prices was made in New York yesterday when fine granulated sugar was quoted at 7 cents a pound and centrifugal, 96 test, at 5.88 cents. The consumptive demand for both local and foreign account was very active and holders of raw sugar in Cuba had in many cases withdrawn offerings in expectation of much higher prices.

In the local market of canned meats, corned beef advanced 5 cents a can and roasted beef advanced 5 cents. Boiled ham went up a cent a pound and the wholesale price of bacon advanced a cent, although the retail price remained the same.

CLUB WOMEN MOTOR TO MARTINEZ

home where refreshments of ice cream and cake were served to the Richmond ladies.

Mrs. Nellie K. Cushing, president of the club, explained that the purpose of the auto trip to the county seat is to awaken enthusiasm among the women Republican voters, both of Richmond and those between here and Martinez.

"It is hoped that this demonstration of interest in the coming primaries will incite interest among women voters who are not now members of an active party club," she said.

Almost half the private automobiles in the city were requisitioned by the women to make the trip to Martinez, the use of many of them being volunteered by candidates. The women expect to return from the county seat by 6 o'clock and in time to attend the candidates' ball at East Shore park tonight.

Among the women who made the Martinez trip were Mrs. E. A. Huston, Mrs. G. E. Milnes, Mrs. Thorne, Mrs. Mary A. Lucas, Mrs. May A. Bates, Mrs. Grace E. INDEED IT IS VERY PUZZLING

Though far away from the seat of war in Europe, and under the protection of the American flag, the Richmond people cannot escape some of the things that are accidentally shot in this direction through the 14-inch guns of the press.

Reference to the strange and puzzling words of European diplomacy is, of course, intended.

The individual does not know whether they are the names of towns or peasants, or whether they are merely signals of distress. A European society note, at the present time, would probably read somewhat after the following fashion:

"Count Modus Vivendi took tea this afternoon with Status Quo, the great German peacemaker, whose gun factory at Ukasase has just been prorogued by Grand Duke Triple Alliance as an evidence of the czar's appreciation of the entente. After a careful consideration of the Modus Operandi, the count declared to the waiting newspapermen that in his opinion the Moratorium was impasse, owing to an unsatisfactory condition of the ultimatum, thus accounting for the conversation."

TANKER MAY WARN BRITISH SHIPS

(Continued from Page One)

Leipzig continues to cruise north and south under a slow bell outside the San Francisco harbor entrance, just beyond the three mile neutrality limit.

The German vessel has made no attempt to enter the port, but she communicated with the German consul yesterday and was boarded by newspapermen and the consul who removed two sick sailors to the launch, who were afterwards taken to the German hospital in San Francisco.

As a result of this action these sailors are now in the custody of the United States. As a neutral nation, this country must keep them here either until the close of the war or until the nations at war with Germany give formal consent to their parole. The two incapacitated men are Able Seamen Weichsel and Brese, the former suffering from appendicitis and the latter from blood-poisoning.

While the position of the Nurnberg is in doubt, no substantial reports having been received as to her presence in this part of the Pacific, there is no longer doubt of the proximity of the Leipzig.

There was rumor in San Francisco shipping circles yesterday that the Leipzig had requested permission from the United States government to enter the bay and coal. It was also reported that the authorities had wired Washington for instructions, and that the reason the German remained outside was to await response from the Federal authorities. In spite of the report, which was well founded in shipping circles, Collector Davis and the German Consul's office professed to know nothing of the Leipzig's intention to come here.

Reports from the north indicate that the British cruiser Rainbow and two submarines, which left Canadian waters several days ago, are in the vicinity of Cape Flattery. While the sloop of war Shearwater has not been seen since she left the lower coast some days ago, the Algerine, her consort, is headed north, presumably to join the other British craft.

The Algerine came alongside the coaster Beaver, which reached here yesterday morning from Portland, several miles outside the Blunt's reef lightship, at 5:20 o'clock Tuesday afternoon. The appearance of the little Britisher caused some excitement among the Beaver's passengers, who lined the rails and listened eagerly to the dialogue that took place between the captain of the sloop and Captain Eddie Mason of the Beaver.

"What's the news?" shouted the captain from the bridge of the Algerine through a megaphone. "We've been at sea for ten days and don't know a thing."

The captain of the warship seemed astounded when he was informed that Germany and Great Britain were at war.

"We have no wireless, you know," he said, "and this is all news to us."

This was a great surprise to the

SANTA FE WILL FIGHT OPENING OF MAIN STREET

It is the intention of the Santa Fe to fight the opening of Main street through their property to Ashland avenue in the event the city council carries out its present intention. This was the deft given to the councilmen last night by W. B. Trull, local station agent for the company.

The division superintendent of the company, W. H. Walker, who appeared for the company last week, was not present last night, Trull making the protest in his place. Attorney T. H. DeLap, attorney for the commissioners in charge of the street opening proceeding, declares that the Santa Fe protest was made after the time limit for protests had expired.

The Santa Fe has its objection to the street opening on the premises that the opening of Main street, and two other streets, is unwarranted at this time as the land is being held as a reserve for other purposes. A decision in the courts will settle the difference between the company and the city, it is claimed.

FORMER PORT COSTA YOUTH PASSED AWAY

John J. Scannell, a former Port Costa youth, died last Thursday in Salem, Oregon. He was a native of Port Costa, aged 16 years, 8 months and 14 days, and was a son of Mr. and Mrs. J. Scannell. He leaves brothers and sisters to mourn his death. The remains were shipped south for interment and were laid to rest in St. Mary's cemetery Wednesday morning, following a requiem mass.

Beaver's officers and passengers, who had received wireless reports that perhaps the Algerine and the other vessels had participated in a battle. It was evident from the condition of the war ship's decks, which were stripped for action, that she was ready for the fray if overhauled.

In parting the captain of the Algerine shouted in tones that were jocular and not at all serious: "Well, if you see a German man-of-war, don't tell him you ran across us."

Then the little sloop rolled along northward at her full speed, which is about seven knots if the wind and current are favorable.

Shipping men express the belief that the British warships will mobilize in the vicinity of British Columbia to protect the shipping of the British lines, while the German may hover off San Francisco to look after the vessels of German registry.
